Our Clients

Our Clients

Commodities:

Trading & Marketing is a major area of activity for the SDC. The Company deals in a wide array of products catering to varying customer requirements from well diversified fields like: Foodstuff, Dairy & Confectionary, Toiletries, Cosmetics, Commodities, Coffee, Tea, Spices, Grains, Pesticides, Canned Food, Medical Equipment.

SDC has wide variant fields of business in all kinds of trading. The company is involved in the business of Exporting Foodstuff, Electronic, Electrical Equipments, Spare parts, Building Materials, Vehicles, Oil Business, Garments and Textiles.

Less-Than- Container Load (LCL):

SDC is a leading global less-than-container-load (LCL) seafreight provider. When you don't have enough cargo for a full container, rely on us to provide you with LCL departures from major ports across the world. SDC's comprehensive approach to LCL management ensures reliable, fast shipment of goods worldwide.

Customs Clearance / Brokerage:

If your goods sit on a dock awaiting customs clearance for a day, your "speed to market" advantage is squandered. And incomplete or wrong customs documentation can cause considerable delays in transportation, reducing supply chain and delivery reliability. To minimize your customs issues.

Retail Outlet:

COMING SOON IN DJIBOUTI.
